

Go Liberate Yourself - Go Cordless

Maytronics - The Art of Pool Cleaning Technology

www.maytronics.com

Recommended for private pools up to 12 m. (40 ft.) in length.

Imagine no more cord and hose nuisance. Imagine no more cleaning obstacles.

Dolphin Plus Battery is the cordless pool cleaning robot with patented rechargeable battery power and an intelligent float interface.

Dolphin Plus Battery provides you with a sparkling clean pool without tangled cables and irritating hoses, leaving you free to fully enjoy your pool time.

Ready to go after a short self-recharging session, the Dolphin Plus Battery sets new standards in performance and ease-of-use.

Dolphin Plus Battery is also renowned for its cleaning virtues. Throughout a short 90-min. cycle, it automatically scrubs, vacuums, filters and sweeps your pool free of sand, leaves and other harmful dirt, helping your pool chemicals work more efficiently. Dolphin Plus Battery provides the freedom of cordless cleaning, with all the features of the market leader.

Dolphin Plus Battery Advantages:

- Patented cordless, rechargeable pool cleaning robot.
- Intelligent illuminated float interface for easy location and control.
- State-of-the-art most advanced self-learning scanning programme, optimizing pool coverage.
- Choice between regular, ultra clean, waterline and lap pool cleaning programmes.
- Wireless remote control for manual programming and navigation.
- Flexible manoeuvring – covers walls, floor and waterline.
- Unique learning software for intelligent pool scanning.
- Clogged filter bag indicator ensures ongoing cleaning efficiency.
- Equipped with Caddy for handling and storage.
